PLEASE READ CAREFULLY BELOW!

Terms and Policies

It is the goal of Weston's Kennels to send our puppies to loving, nurturing, homes where the puppies can reach the potential of their breeding program through fulfilling and productive lives. It will be our intent to pair our puppies with families that will utilize them in the field as gun dogs in hunting or field/hunting trails.

Because Weston's Kennels feels so strongly about our breeding program that produces the best of hunting qualities and potential for field and hunting champions, we will offer incentives to those families who choose to enter their dog in AKC or NAVHDA trials or events.

If your dog achieves either; AKC Champion, Field Champion, Amateur Field Trial Champion. Senior Hunt or Master Hunt test title, AKC Companion dog title, or NAVDHA Natural Ability or Utility title, we will offer a fifty (50%) discount on the next puppy purchased from Weston's Kennels. A picture and copy of the title will be required for the discount.

Puppies are priced from \$500 to \$800. Prices will fluctuate from litter to litter depending on the dam and sire and after thorough evaluation. No puppy will be allowed to go to their new homes prior to 8 weeks of age. They will be handled and socialized daily until they go to their new homes.

Order # of PUPPY #: _____ Weight of PUPPY at sale: _____

Date of Whelping: _____ Litter Year _____

Sex: _____ Color _____ Coat: _____

to _____ (hereinafter referred to as "BUYER")

of _____

Puppies will be held only if a deposit of \$200.00 has been received, and is still for sale until such time as said deposit is received by Weston's Kennels. Full payment must be made before puppy leaves Weston's Kennels possession. Deposit is non-refundable; however it may be carried over to the next litter, at the owner's request. Deposits are accepted on a first-come, first-serve basis and we always maintain the right to reserve the first pick.

Deposits are non-refundable unless it is in compliance with the "Selection Process" section of our contract we limit the number of deposits that we accept in order to decrease the chances that anyone is not able to receive a puppy. If an appropriate gender of puppy is not produced then we will either refund the deposit or place it toward the next litter depending on the buyer's preference. While we cannot guarantee the color of puppies, amount of spots or coat, there is generally a wide variety to choose from.

It is important to make your deposit early as we do not breed more than one or two litters per year and they can be spoken for before the breeding even takes place. In cases where a buyer has a change at home that prevents taking ownership of their new puppy we will offer that the deposit be placed toward a future litter of their choice, but deposits will not be refunded. This policy is in place to prevent potential buyers from carelessly placing deposits with multiple litters and then withdrawing their interest.

Once Buyer takes possession of his/her puppy, Buyer has 48 hours from the time of possession to return puppy for any reason, less the \$200.00 deposit and a \$50.00 re-advertisement fee to compensate Weston's Kennels for any expenses that will be incurred with the placement of the puppy in another home. Please consider carefully before putting down a deposit or purchasing a Weston's Kennels puppy.

Our commitment is to produce quality German Shorthaired Pointers. We ask that your commitment be to carefully plan for your new puppy's future. Deposits may be sent in the form of personal check, cash, money order, PayPal, or Western Union. They will be held until we know that we have enough suitable puppies for each of our clients.
